2010

Ladies and Gentlemen,

The Vintagers, Order of Edwardian Gunners, proudly invite you to join your Side-by-Side friends at the **14<sup>th</sup> Annual Vintage Cup, World Side-By-Side Championships and Exhibition, held at the Pintail Point Shooting Grounds in Queenstown, Maryland, on September 23<sup>rd</sup>-26<sup>th</sup>, 2010.** We hope that you can be there to experience the fellowship, the great targets and the many vendors of all things important to the sporting life. There will be manufacturers, purveyors of new and used guns, accoutrements, fine art, leather goods, clothing, dogs, furniture, hunting destinations, outfitters and so much more! So come and enjoy!

We have some great news, this year we will be bringing back our ever popular **Saturday Night Gala Dinner!** This is a five course, all-inclusive meal and formal or vintage attire will be required. We will also be hosting a **Ladies Afternoon Tea on Friday.** We hope that you can make it to both of these socials to see old friends and make some new ones.

Shooting Event News:

- ❖ We have added an interest to the Vintage Cup Main Event on Sunday sponsored by benefactors and Vintager friends, Joan and Bruce Samuels. This event is a Ladies Invitational wherein a lady can invite one partner with which to combine scores in the Main Event for a trophy. Partners must be chosen before the event and two ladies cannot pick the same partner.
- ❖ We have changed the Vintage Cup Main Event this year to be more user-friendly: we have reduced the targets from 130 to 100 and lowered the price so that more people can participate.
- ❖ For this year, we are also allowing re-entry into the Vintage Cup Main Event with Hammer and/or Hammerless gun.

We got a great response from adding more events on Thursday, so we are keeping it that way. Plan on taking as many guns as you can for full enjoyment of the four days. Something to remember, "Those who shoot to win often lose. Those who shoot for fun always win."

Hammers Back,

Ray Poudrier, President  
Order of Edwardian Gunners

The Stopping Rifle Championship is shot offhand, with open sights and full use of rifle required. It will consist of a standing elephant at about 40 yds.; a crossing rhino at about 30 yds.; Pop-Up lions and an in-your-face buffalo. There will also be a timed event with 6 shots at as many targets.

**NOTA BENE: There will be a chronograph and scale at the range. All rifle and ammunition combos are subject to verification as to their authority. Stopping rifle competitors to have available four extra rounds of ammunition.**

The Stalking Rifle will be similar except that the targets will be of rather benign critters and the distances a bit greater. (Fear not, no attacking tommys). So as not to dominate, single shot Stalking Rifles will compete for the Alex Henry Cup. Shooting to take place over two days. 16 shots/day for a total of 32 shots for the match.
